

Tag RF R50UX-I+Pin Black

#9909273 | RF 8.2 MHz

Nedap RF tags belong to the best performing tags world-wide and are compatible with all RF 8.2 MHz systems. Our hard tag & accessories portfolio enables retailers to have a wide range of solutions that also function as visual deterrents. Nedap hard tags & accessories always feature the latest technologies and are produced with state-of-the-art materials to effectively prevent theft. Of course, we also design them with your merchandise and your customers in mind to make them as shopper-friendly as possible.

Tag RF R50UX-I+Pin Black

Black shell shaped hard tags with ink capsules, pin and strong lock. The three ink cartridges hidden inside the shell shaped tag makes this tag an even more powerful deterrent. This hard tag can be used for fashion products and in combination with a lanyard it is also suitable for shoes, bags and accessories.

Benefits

- Including pin
- Color: black, also available in ivory
- Including ink capsules (glass)
- Attractive and secure dome-shaped design
- Superior detection
- Dust-repellent, antistatic
